

Data Recovery In A Nutshell

1. Your device arrives at our headquarter lab in Lake Mary, Florida. Our administrative team creates your case and assigns it to an engineer

2. YOUR ANALYSIS IS PERFORMED

3. Once a diagnosis is reached, it is delivered to you by e-mail. In this e-mail you will receive quotes for up to 3 service options:

**Expedited Service:
1-4 Business Days
(Most Costly)**

**Standard Service:
5-10 Business Days**

**Economy Service:
21 Business Days
(Most Affordable)**

You have five days to Approve our services and have our team retrieve your valuable data, or decline:

Approve: Submit your completed payment agreement, any required retainers are to be paid in full

Decline: You will be invoiced for shipping and your device will be returned to you.

4. Recovery is performed by a skilled engineer! When recovery is complete, you will receive:

E-mail Notification

A File Listing

Final Invoice

5. Once payment is received, your recovery is shipped back to the address provided!
